Just click 'Get your profit'.

On desktop and mobile

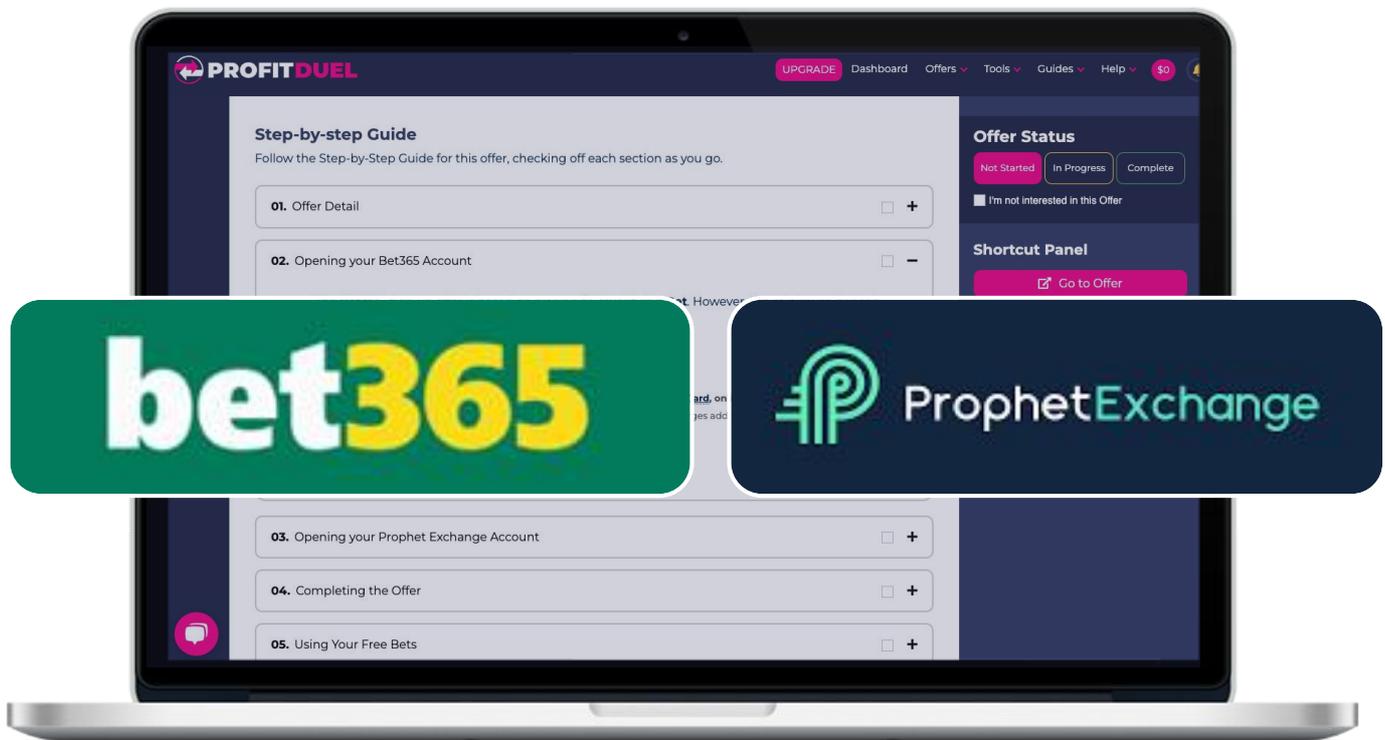

## STEP 03.

# SIGN UP FOR THE SPORTSBOOKS

Earning your profit starts with signing up to a sportsbook to get the free promo - but there is ZERO gambling involved.

Make sure you use the links to the sportsbooks provided in the platform instructions to ensure you get the free promo.

In the example below we are using Bet365, and Prophet Exchange.

**Note:** Sportsbooks in the first offer will vary depending on your state. All correct links and instructions are included.

## STEP 04.

# PLACE YOUR QUALIFYING BET

In this step you'll place a no-risk bet to unlock your free promo - which you'll then turn into cash in the next step.

To do this, you'll place two separate bets on an event to cover all outcomes. Don't worry - you don't need to know a thing about sports.

Here's an example of a qualifying bet using the two example sportsbooks (Bet365 and Prophet Exchange).

### 1) Place your first bet (we call this a 'back' bet)

Following the offer instructions on the ProfitDuel platform, select a recommended event on the Dutch Matcher. Click the calculator icon to check the details, then place your bet at the suggested amount.

Qualifying Bet

**Bet 1 - Marquette**

**bet365**

Stake: 5.00

Odds: -250

### 2) Place your second bet (we call this a 'hedge' bet)

Now your free bet promo is locked in, place a bet on your second sportsbook at the suggested amount. This covers all outcomes.

**Bet 2 - Villanova**

**ProphetExchange**

Stake: 2.00

Odds: +220

Once this event finishes you will receive your \$150 free bet promo that we can now turn into cash!

## STEP 05.

# CONVERT YOUR FREE BET INTO CASH

Now that your first sportsbook account has been credited with your free bet promo, it's time to turn it into cash.

We'll follow the exact same process as before, placing two bets to cover all outcomes, just this time we're using your free bet as your first bet.

### 1) Use your free bet to place your first bet

Again, pick a suitable event using the Dutch Matcher and click the calculator icon. Using your free bet, place your first bet at the amount it tells you.

Bet 1 - Anaheim Ducks

bet365

<b>i</b> Stake	150.00
<b>i</b> Odds	+320

Bet 2 - Florida Panthers

ProphetExchange

<b>i</b> Stake	375.00
<b>i</b> Odds	-350
